2. Particular attention is directed to Regulation 12B which contains general requirements regarding matters such as the kind and size of paper to be used, the legibility of the report, the information to be given whenever the title of securities is required to be stated, and the filing of the report. 2. If not included in the combined report, the cover page, appropriate responses to Part II, and the required signatures shall be included in the Form 10-Q. Additionally, as appropriate, a cross-reference sheet should be filed indicating the location of information required by the items of the form.

Three complete copies of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, and five additional copies which need not include exhibits shall be filed with the Commission. At least one complete copy of the report, including any financial statements, exhibits or other papers or documents filed as a part thereof, shall be filed with each exchange on which any class of securities of the registrant is registered.    a. Such registrants may omit the information called for by Item 2 of Part I, Management's Discussion and Analysis of Financial Condition and Results of Operations, provided that the registrant includes in the Form 10-Q a management's narrative analysis of the results of operations explaining the reasons for material changes in the amount of revenue and expense items between the most recent fiscal year-to-date period presented and the corresponding year-to-date period in the preceding fiscal year. Explanations of material changes should include, but not be limited to, changes in the various elements which determine revenue and expense levels such as unit sales volume, prices charged and paid, production levels, production cost variances, labor costs and discretionary spending programs. In addition, the analysis should include an explanation of the effect of any changes in accounting principles and practices or method of application that have a material effect on net income as reported.
